

OUR GOALS

Our goal is to provide a membership plan to help those patients without the benefit of dental insurance by providing an option for quality dental care at an affordable price. Our membership plan has no waiting periods, no deductibles, no yearly maximum, and no pre-existing conditions.

Your membership fee is good for one year from the membership date.* Payment is due at the time of service for dental services not provided under this plan. This plan is not insurance and is not intended to replace dental or health insurance. You have the right to cancel in the first 30 days, provided that you have not used the plan. Once you have used the plan, your fee is not refundable.

**Initial memberships start the day you pay the membership fee, and end the one day prior of the following year. Renewals will commence on the same day of the following year.*
